

Complete Level Access Wetroom Customer Testimonial

Mr. W from Crickhowell approached GB Home Adaptations to adjust his bathroom to accommodate his wife's medical needs.

"He did a tidy job and I got on alright with him too..."

How did you come to choose GB Home Adaptations to do the work?

You were recommended through Care & Repair Powys. You must have the most competitive price to come all the way from Hereford.

Did the service meet your expectations?

Adam, our builder, was very tidy. He did a tidy job and I got on alright with him too. We had expected to get more done from the grant so we are speaking with the Occupational Therapist tomorrow about but that is separate from what your companies have done.

How has it impacted your daily life?

My wife only has one leg and is in a wheelchair. She's got dementia and arthritis coming too. There's a few things I want to talk to the Occupational Therapist to see if there are other adaptations we have put in place to help her.

If you were to recommend us what would you say?

I would Adam, I can't fault him, he's a very genuine bloke.
