

# Complete Level Access Wetroom Customer Testimonial

We spoke to Mr T. Moreton-on-Lugg who was awarded a grant from Connexus to have a new wheelchair accessible door and access ramp and platform installed to the rear of his property.

*"...It's improved my life already, made it a lot easier..."*

## Why did you choose GB Home Adaptations to complete the work?

I was awarded a grant through Connexus and your company won the contract.

## Did the service meet your expectations?

Yeah, they were efficient, they got on with it.

## How has it impacted your daily life?

It's improved my life already, made it a lot easier. I no longer have to walk all the way around the outside of the building which makes a massive difference.

## If you were to recommend us what would you say?

Professional company; what they have done is good. They all spoke very clearly to me and did their job efficiently.
